Dinner for the whole neighborhood, October 4th

LEAD STORY

Kittredge's Longest Table

On Sunday, October 4th, neighbors, friends, and local businesses gathered around a 100-foot-long table to dine together under a brilliant blue sky. It was a beautiful fall evening filled with wonderful conversation and great food.

Hosted by the Kittredge Civic Association (KCA), the sold-out event is slated to become an annual tradition.

HALLOWEEN

The Kittredge Halloween Trick or Treat Event

Halloween afternoon kicked off with a Pumpkin Drop hosted by Evergreen Fire. Adults and kids alike cheered with delight every time a soaring pumpkin was dropped from the highest reaches of the fire truck ladder. Each one smashed onto a target and triggered a shower of candy from the sky. What's not to love?

After mastering that challenge, our trick-or-treaters hit the streets, collecting as many treats as possible from the front stoops of local businesses. Our artsy community did not disappoint in the costume department. Well done, Kittredge!

Holiday Tree Lighting & Market

DECEMBER 5TH | 4–7 PM

This December we'll be decking out our community corridor with holiday cheer. We would love a few volunteer Elves to help hang wreaths, garlands, and lights. Join the decorating fun by emailing kittredgefund@gmail.com or contacting Mafi at Amano or Johnathan at Western Exposure for details.

The Holiday Tree Lighting is December 5th, 4–7 pm, in the Adobe Village. After the tree is lit, shop our Holiday Market as businesses along the corridor open their doors with local artisans, art gallery reveals, and much more. It's the perfect evening for holiday shopping! Keep checking visitkittredge.com for updates.

ABOUT US

The Kittredge Improvement Fund

The Kittredge Connection is published by the Kittredge Improvement Fund (KIF), a non-profit organization of Kittredge business owners working to fund improvements in our community.

The fund is supported by a 1% fee that participating businesses deposit into KIF. These funds will be used for community improvement projects along the CO-74 corridor, from Blackbird Café through Ambary Gardens. Goals include beautification, enhanced safety, accessibility, and better public infrastructure.

We want to hear from you! Send your thoughts and suggestions to kittredgefund@gmail.com.

PROGRESS REPORT

We're already making progress

Our neighbors in Evergreen graciously allowed KIF to get started under the Evergreen Legacy Foundation umbrella while we file for independent non-profit status. This lets us start on improvements right away while KIF moves through the bureaucratic process.

The Board has continued work on the design of visitkittredge.com. Please take the time to explore the new website and sign up for our email list.
